THE STRIKES

Not so long ago in a galaxy not so far away . . .

It is a dark time for the Economy. Although the Inflation Star has dimmed, Unemployment has driven the Job Forces from their base and persued them across the galaxy.

Evading the dreaded Unemployment Lines, a group of young work seekers led by Skill Trainor and Han-Son Experience, have established a competency base on the world of Vohe-Ed.

The evil lord Igno Rance, obsessed with finding young Trainor, has dispatched thousands of remote probes into the far reaches of space

The Horribles Parade

From the extremes of the galaxy they came: from cosmo from metal and even from carpentry I hear. They came alone and some in groups. Some came to frighten, but most came to cheer. The revival of tradition - The Horribles Parade - seems destined to stay.

This year's tradition was overwhelmingly a success with visitations from such characters as Pac-Man, The Tidy Bowl Man, The Warriors, The Baseball Fury, and creatures from all walks of life. Topping the bill though were the Budweiser Six Pack, made by six of our senior students. Long live this tradition of the gathering of all species here at Greater Lowell.

SPECIAL ISSUE 1982

As all Senior classes have their likes and dislikes, our Senior class here at Greater Lowell is no different. Controversy always runs high in regards to favorite groups, movies, songs, etc. etc. Listed below are the favorite and least favorite categories of the areas that most affect and influence our teenage lives.

The big winners in the music categories were predictable in some cases and surprising in others. The favorite group was split between **Rush** and **Van Halen**. The favorite song is also a split between **Stairway To Heaven** and **Turn the Page**. Finally in the music category, the favorite albums were **Journey**, **Escape** and **Foreigner**, **Four**.

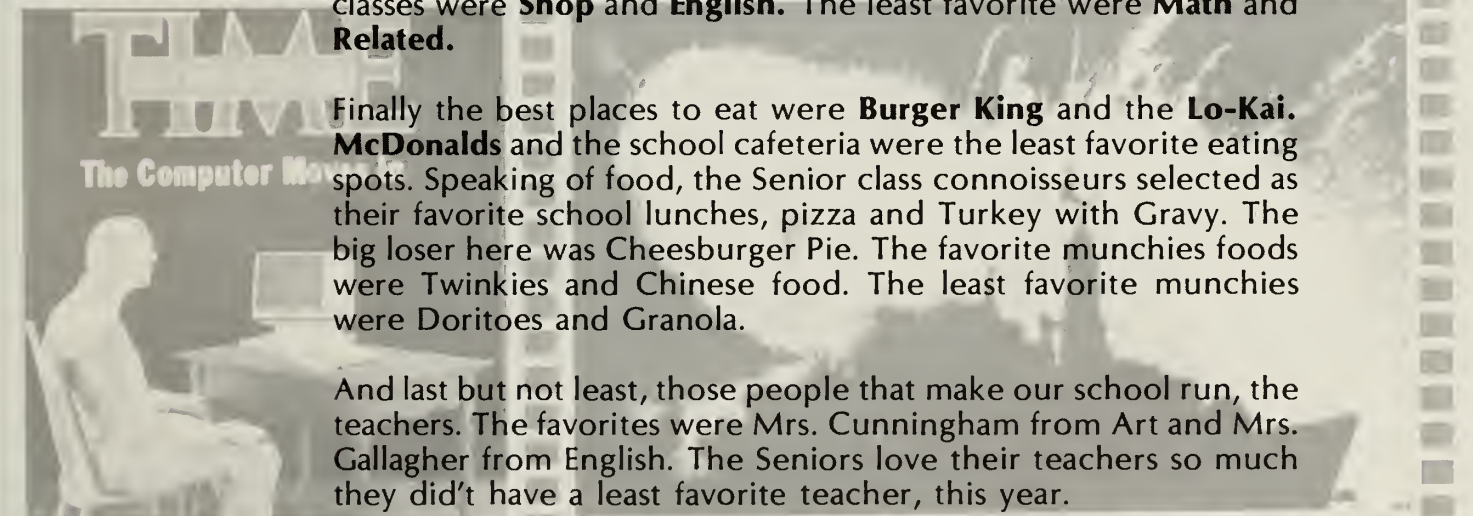

The least favorite groups were **Devo** and the **Rolling Stones**. The least favorite songs were **Mickey** and **We're Through Being Cool**. The least favorite albums were **Tattoo You** by the **Rolling Stones** and **REO Speedwagon**, **Hi Infidelity**.

In the movie, car and radio station category the overwhelming winners were the following. The favorite cars were a **Trans-Am** or a **Corvette**. Most of our seniors listen to either **WCOZ** or **WAAF**, and the favorite movies were **ET** and **First Blood**. The losers were **Volkswagens**, **KISS 108** and for movies, they were **Neighbors** and **Blue Lagoon**.

In the places to be, places to be seen and places to just hang out category we asked for favorite skipping places, favorite hangouts, favorite classes and favorite summer hangouts. The favorite skipping place was either the lunchrooms or home. The areas least favorite for skipping were the hallways or the discipline office. The favorite school hangouts were the smoking area and the second floor, while the least favorite were the bathrooms and the cafeterias. The best places to hangout in the summer were **Hampton** and **Salisbury Beaches**. The least favorite summer place was between our two favorites, Seabrook Beach. The seniors favorite classes were **Shop** and **English**. The least favorite were **Math** and **Related**.

Finally the best places to eat were **Burger King** and the **Lo-Kai**. **McDonalds** and the school cafeteria were the least favorite eating spots. Speaking of food, the Senior class connoisseurs selected as their favorite school lunches, pizza and Turkey with Gravy. The big loser here was Cheesburger Pie. The favorite munchies foods were Twinkies and Chinese food. The least favorite munchies were Doritos and Granola.

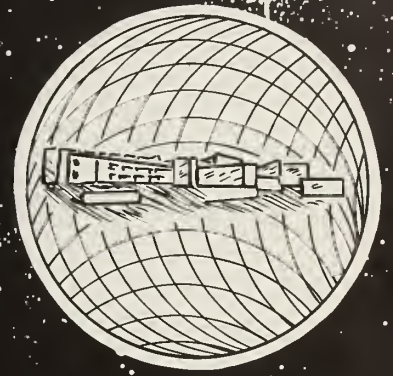

And last but not least, those people that make our school run, the teachers. The favorites were Mrs. Cunningham from Art and Mrs. Gallagher from English. The Seniors love their teachers so much they didn't have a least favorite teacher, this year.

In Memorium

Our friend has died but we're still here,
We placed a rose and shed a tear.
He is gone but the memories will remain,
This world will never be the same.
At the bottom of the path marks the end
On the stone was engraved, "A True Friend".
We'll never forget our loss,
We'll always miss you Ross!

SUPERINTENDENT'S MESSAGE

Congratulations to the graduates from the class of 1983 who should be both proud and grateful as they enter the vocational calling that they have nurtured during their four years at the Greater Lowell Regional. Proud because of the achievements and contributions that you as a class contributed to the community, the school, and to each other - and grateful for the technical and vocational skills you will always possess.

The Class of 1983 has left a legacy to the Greater Lowell Regional School District and Community that is possibly unparalleled in the nine year history of the school. In your Junior year, several members of your class were part of the largest representative group of competitors to qualify for the 1982 V.I.C.A. National Competition in Louisville, Kentucky. Your class also produced one of the most remarkable inter-scholastic transitions when the school district realigned its sports program with the Commonwealth Athletic Conference. Winless teams from the 1981-82 school year turned into strong competitors, and in some cases, state champions in just one year. These are just two examples of the determination and quest for excellence demonstrated by the exceptional men and women from the Class of 1983.

In addition to these major achievements, let us not forget all of those day to day rewards that you provided to the citizens from the Regional District. Community projects such as Home Weatherization, the annual Christmas Fair, The VICA coupon book, the spring and fall Blood Drives, the Toys for Tots campaign - represent some of the day to day activities that many of you simply assumed as part of your education without knowing the joy and satisfaction you gave to the children, elderly, and community leaders in our District.

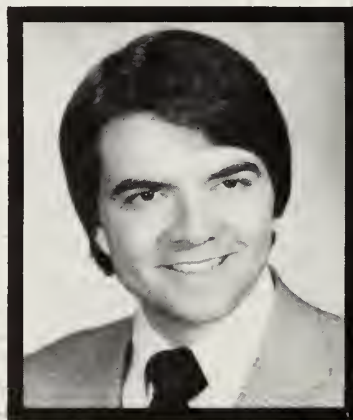

Although there are many employment opportunities presently available in the Greater Lowell area, please take heed that the regional and national employment outlook is bleak to say the least. Do not allow your personal and technical skills to deteriorate by settling for just an entry level position for very long. Continue to pursue future educational and skill development programs, and take your special talents and challenge the next segment of your life with the same style and determination you have displayed at the Greater Lowell Regional, and I'm confident that a lifetime of success will be all but guaranteed.

JEANNE D'ARC CREDIT UNION

ASSETS OF \$35,000,000

SERVING ALL RESIDENTS OF GREATER LOWELL FOR 70 YEARS

As one of the oldest credit unions in the Country, we are proud of our humble beginnings in the basement of St. Jean Baptiste Church where, some seventy years ago, we encouraged school children to save their pennies. Jeanne D'Arc Credit Union, sometimes referred to as "The Little Bank Around the Corner," now occupies modern facilities just a stone's throw away and some of these same children are still with us. They, their children and their grandchildren have helped us grow into a \$35,000,000 banking institution serving all residents of Greater Lowell. Our friendly, courteous staff strive to serve our customers as individuals and not as numbers. We invite you to come in and see us or at least call us about our high savings and favorable loan rates.

Congratulations to the Graduates of 1983

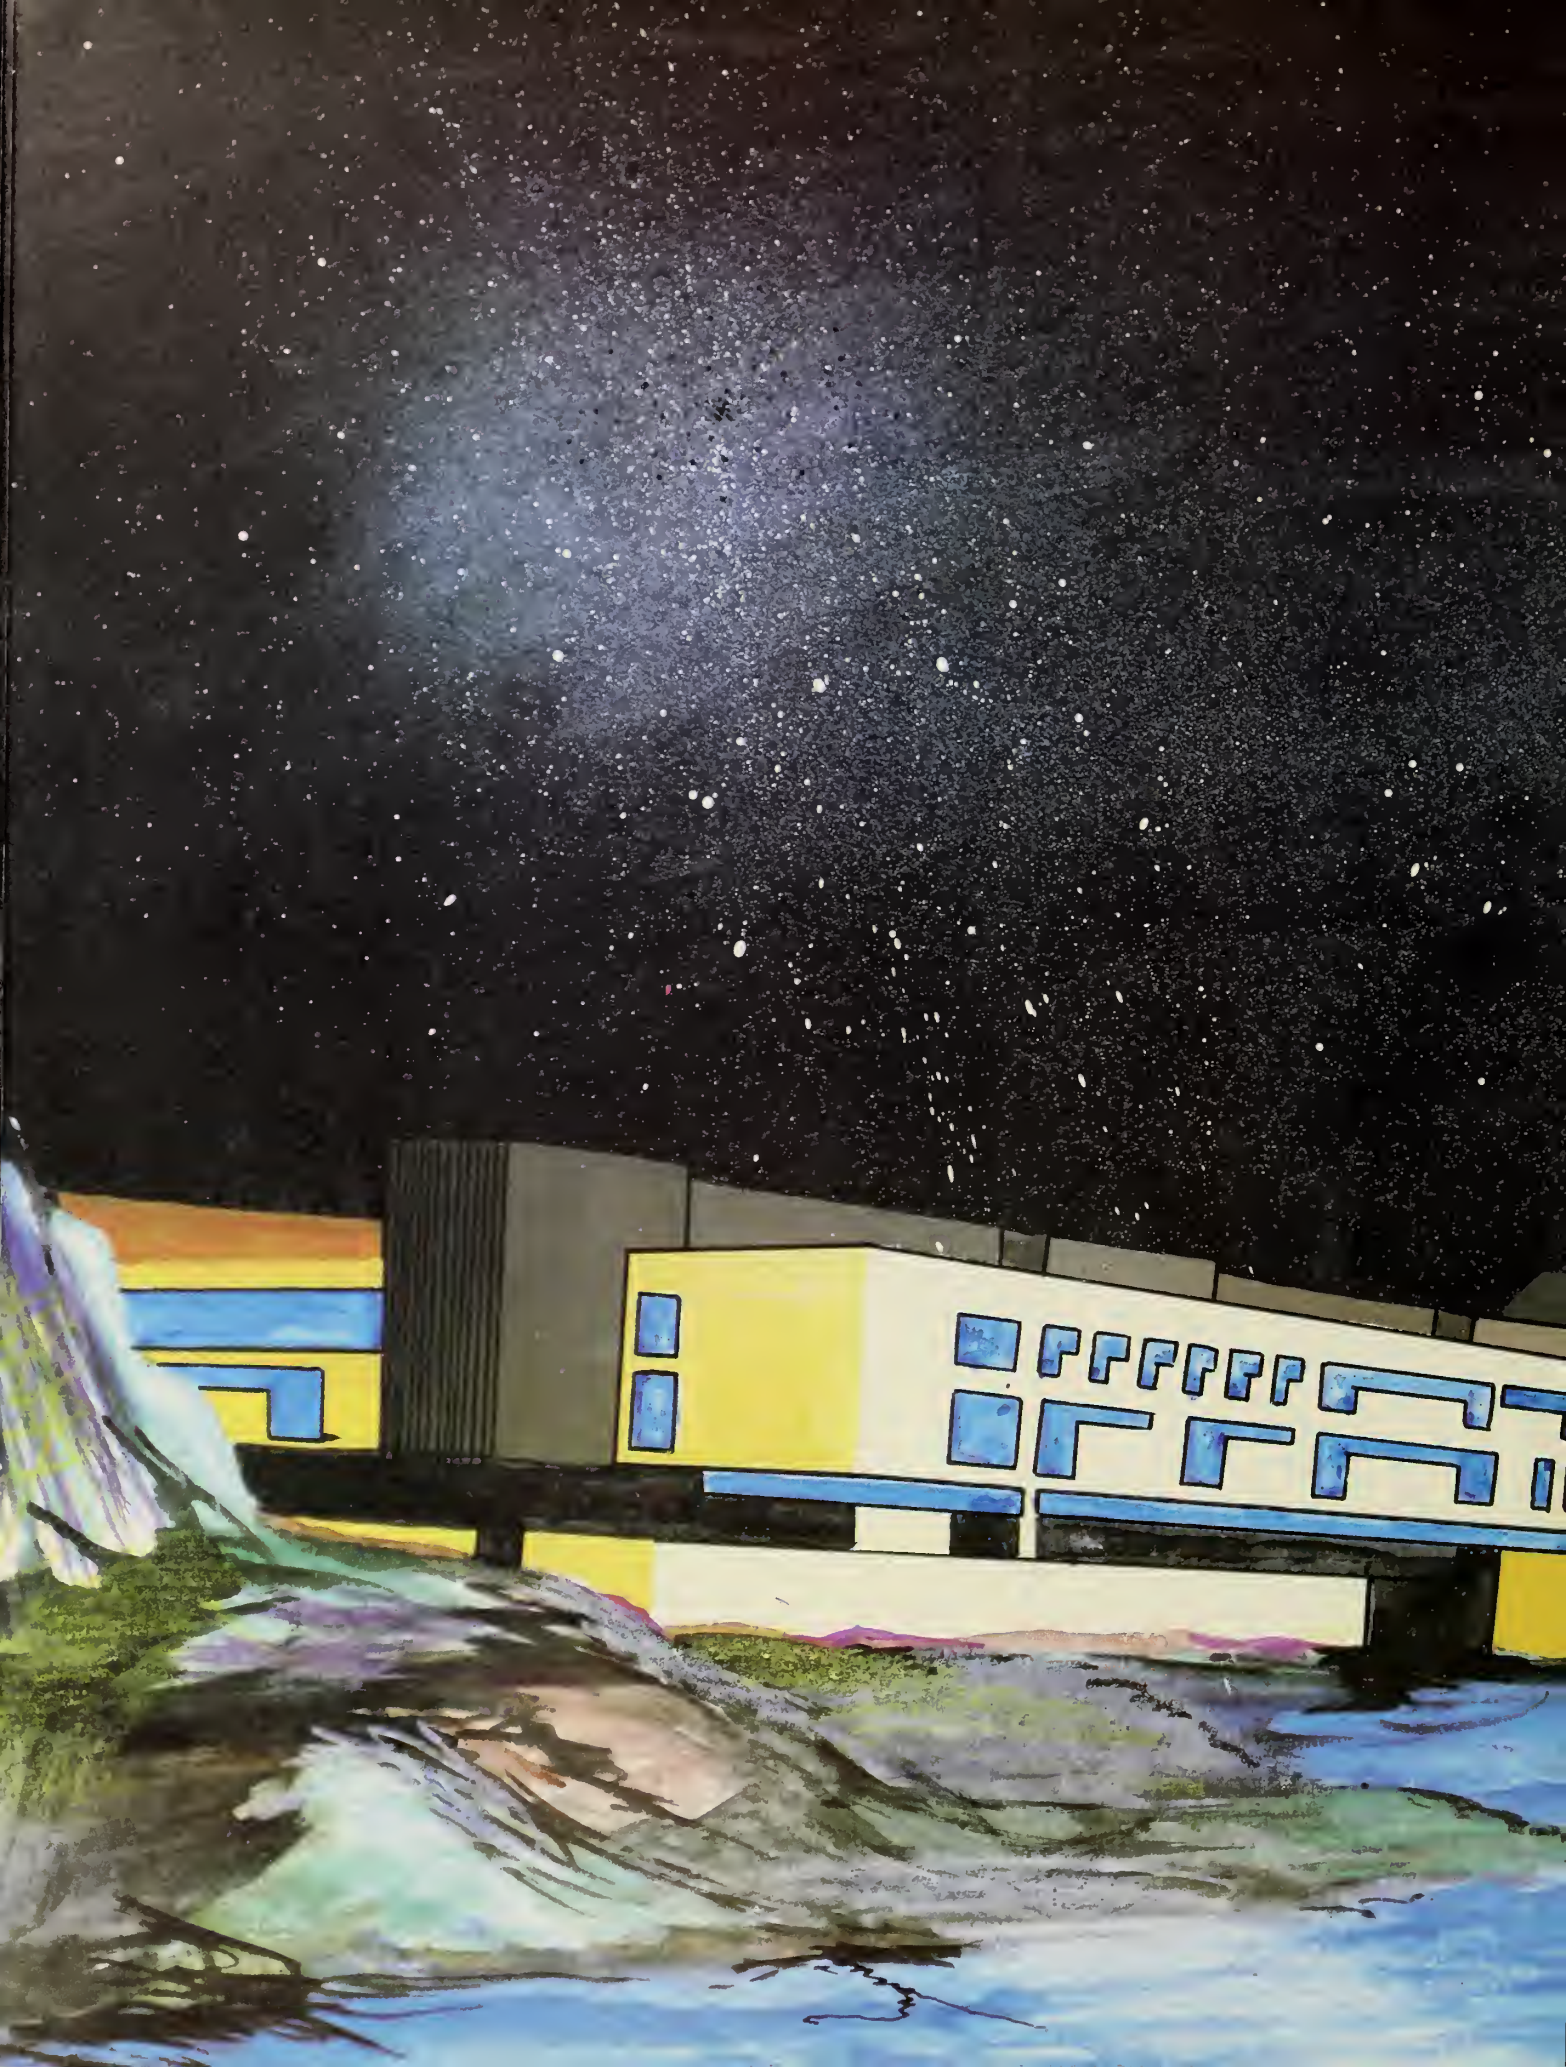

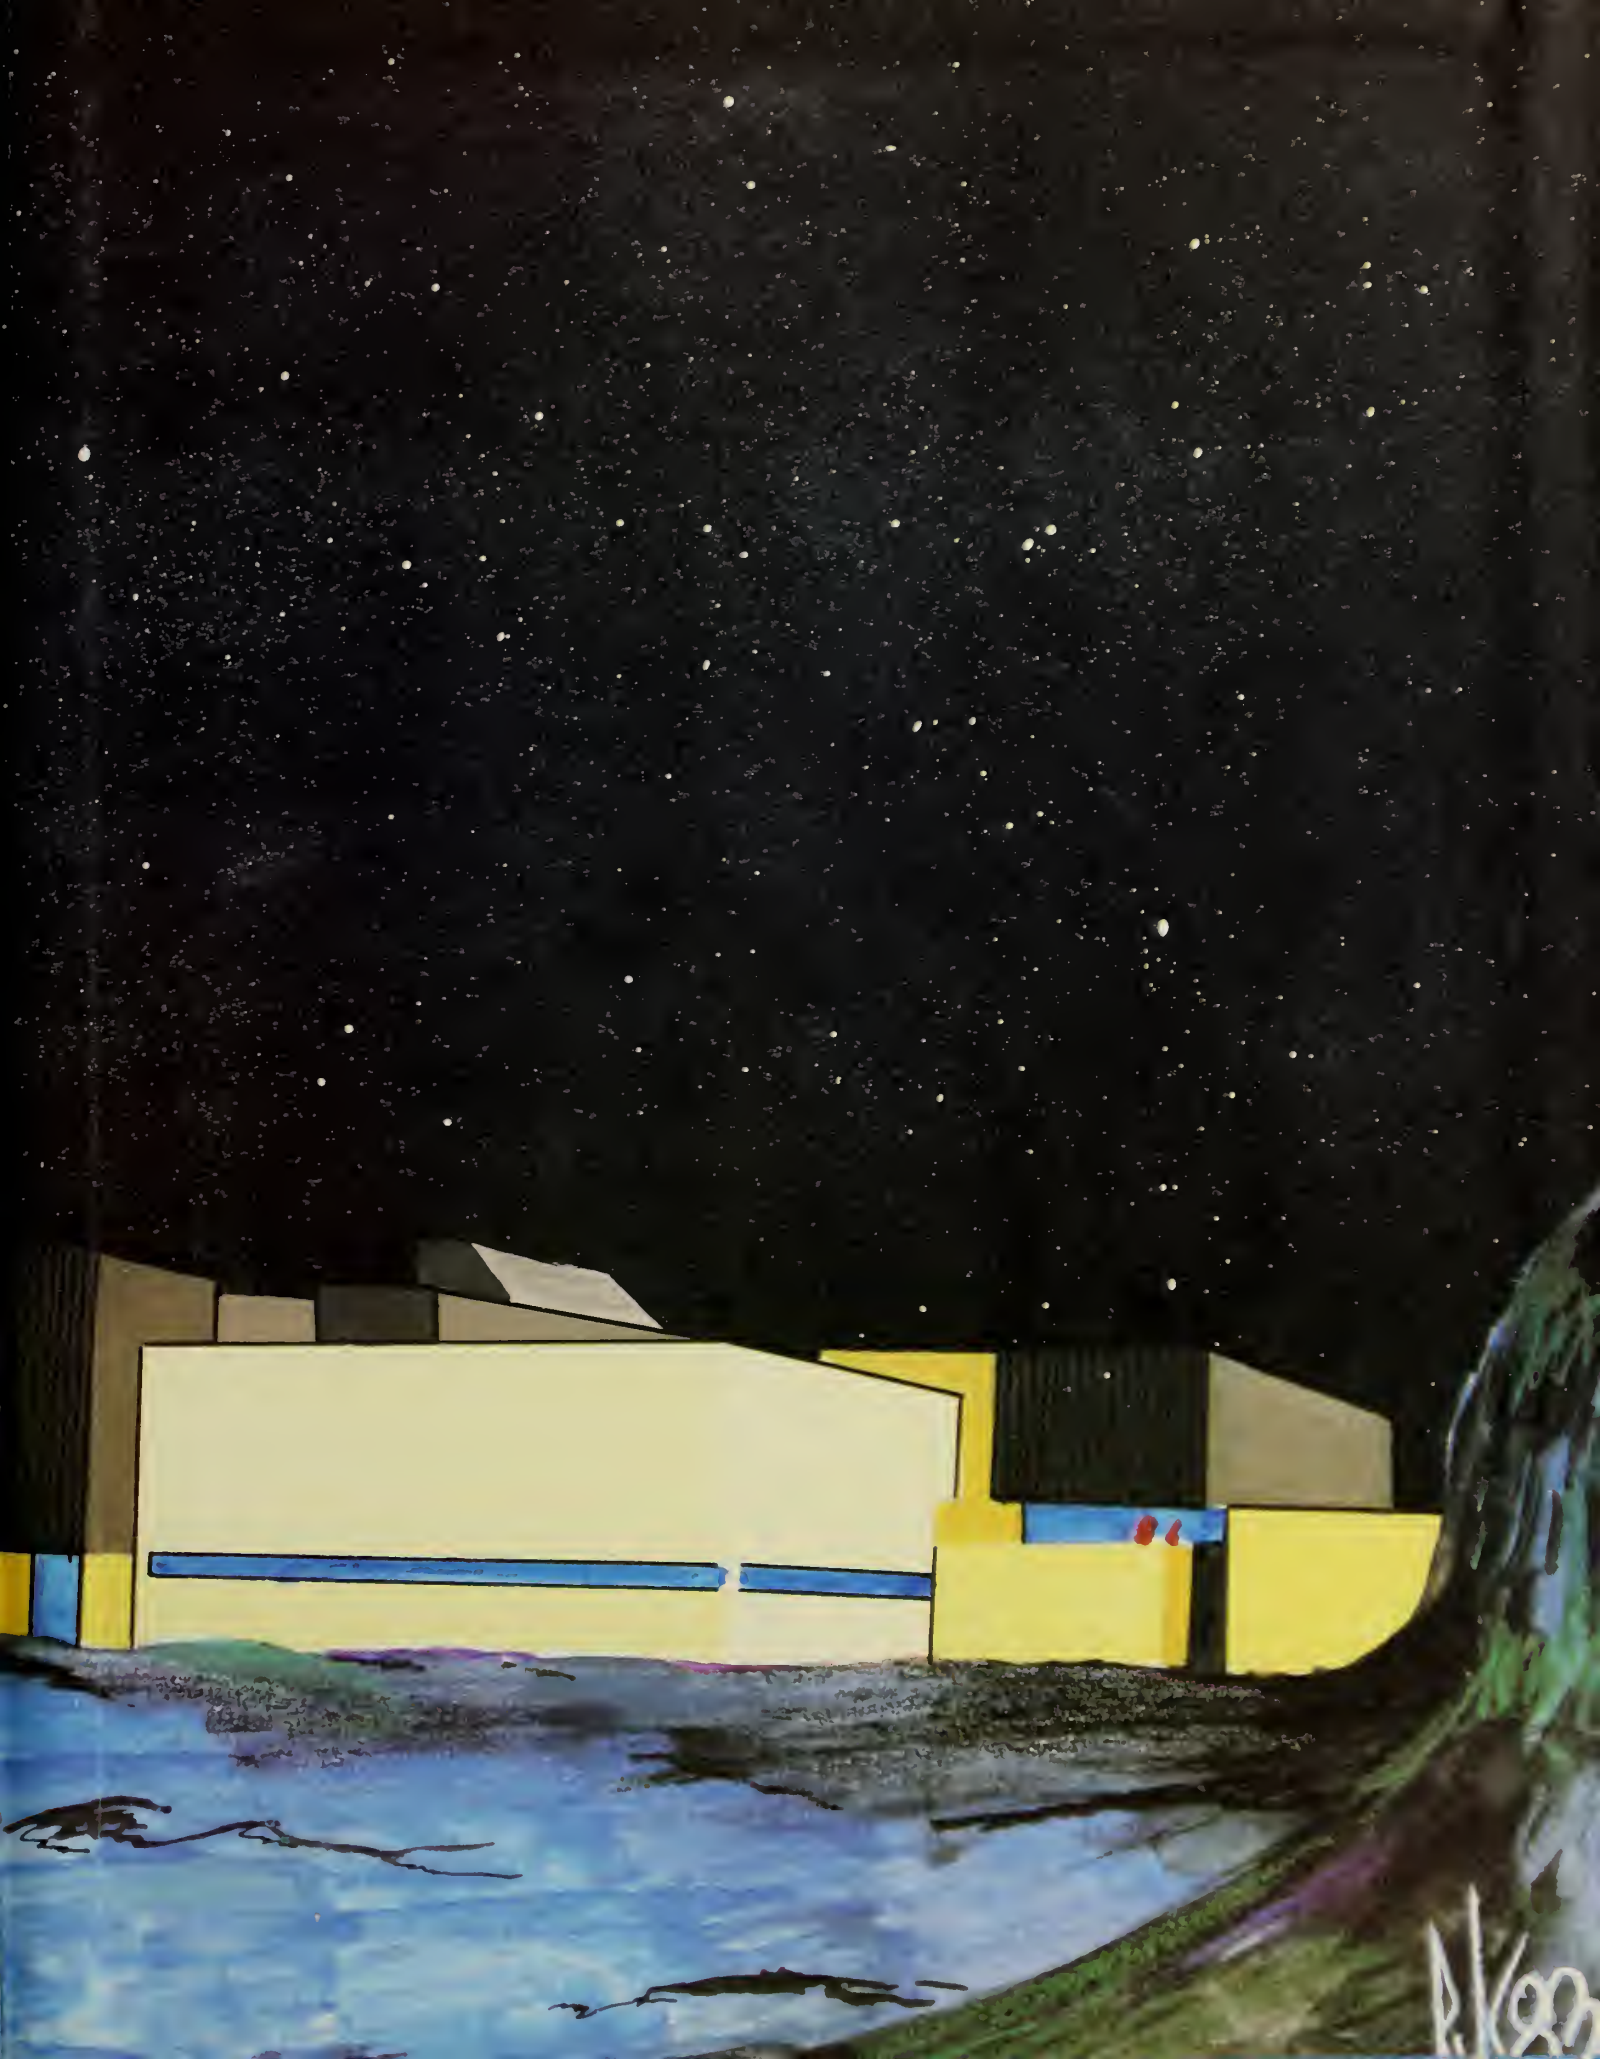

Our graduates are now venturing into many areas of this galaxy. We wish them all the success and good fortune they deserve from their years spent here at Greater Lowell.

Special cadets who deserve special recognition for their assistance in completing this yearbook are as follows: Diane Desrosiers, who was always there during the rough times, Sally LeBlanc, for her artistic expertise, Rickie Carr, who designed the cover and endsheet and Kathy Rousseau, for designing the division pages and other artistic stimulations. Co-operation from staff members was also an important factor in the completion of this book. Special thanks are extended to Martha Nawn, Lois Starbird, Kathy Howe, Kathy Conole, John Neister, Peter Marlowe, Leo Dunn, and Pat Doris.
